No. DBSKKV/NAHEP-IDP/ /2023

Date: 15/09/2023

Institutional development for enhancing learning outcome, academic diversity, entrepreneurship, and employability.

DBSKKV-D, Weekly activity report from 08.09.2023 to 14.09.2023

- Activity 1: The primary audit of the NAHEP IDP, DBSKKV, Dapoli for the financial year 2022-23 was successfully completed on September 13, 2023.
- Activity 2: Accomplished a drone spraying session in Gavtale Block, Dapoli on 13th September 2023. Under the adept supervision of Dr. Pravin Ingle, Incharge of Gavtale Block, Central Experiment Station, Wakavali, two state-of-the-art Agribot drones were deployed for precision spraying on a 2.2-acre plot of land. The operation, which used cutting-edge Nano urea as the spraying material, was executed seamlessly, covering the entire 2.2-acre area in a remarkably swift total flying time of just 1.5 hours.
- Activity 3: Organized a heartfelt predeparture and send-off ceremony on 14th September 2023, to bid farewell to seven students and three faculty members from the College of Fisheries, Ratnagiri. They are embarking on a transformative one-month training program at Chulalongkorn University in Thailand.
- Activity 4: A batch of 10 new students registered for English language training at language lab of NAHEP-IDP, DBSKKV, Dapoli. More than 10 activities in the language lab have been successfully completed by the same batch.

Principal Investigator,
NAHEP-IDP, DBSKKV, Dapoli

Accomplished a drone spraying session in Gavtale Block, Dapoli. Under the adept supervision of Dr. Pravin Ingle, Head and Incharge of Gavtale Block, two state-of-the-art Agribot drones were deployed for precision spraying on a 2.2-acre plot of land.

Organized a heartfelt predeparture and send-off ceremony on September 14, 2023, to bid farewell to seven students and three faculty members from the College of Fisheries, Ratnagiri. They are embarking on a transformative one-month training program at Chulalongkorn University in Thailand.
