**Institutional development for enhancing learning outcome, academic diversity,
entrepreneurship, and employability.**

DBSKKV-D, Weekly activity report from 20.10.2023 to 26.10.2023	
Activity 1:	The faculty members of DBSKKV Dapoli are currently participating in an International Training program organized by NAHEP IDP. They are currently at Michigan State University, USA, where they have had the opportunity to explore the cutting-edge facilities at the MSU Food Processing and Innovation Centre. In addition to this, they also visited a water treatment plant, gaining valuable insights into water management practices. This exchange of knowledge and experiences will undoubtedly enhance their expertise and benefit their academic community back at DBSKKV Dapoli.
Activity 2:	<p>The faculty and students from the College of Fisheries in Ratnagiri, part of DBSKKV Dapoli, are currently immersed in a transformative international training program at Chulalongkorn University in Thailand, organized by NAHEP IDP. Their educational journey has led them to explore a wide array of aquatic activities, including visits to diverse locations such as snake-skin gourami farming at Sukanya Farm, frog farming at a small-scale frog farm in TBD Nakhon Pathom, and fishery activities at the Port of Bangsean Beach.</p> <p>They've also delved into the world of aquaculture, with visits to mussel aquaculture at the Faculty of Fishery, Kasetsart University, Sriracha, and marine ornamental fish production at the same institution. Their educational adventure extends to the Burapha Institute of Marine Science, where they were introduced to aquarium and aquaculture, including basic Aquatic Life Support Systems (ALSS).</p> <p>Furthermore, their explorations took them to The Ocean Farm, where they observed shrimp nursery practices, and they gained insights into seabass broodstock and hatchery management at The Boonsawang Farm. The journey culminated in a visit to Song Nam Farm, where they immersed themselves in research-based shrimp farming and hatchery management. This comprehensive exposure promises to enrich their knowledge and contribute to the fisheries and aquaculture sector upon their return to DBSKKV Dapoli.</p>

Activity 3:	<p>Dr. P.S. Bodake, the Dean and Director of Instruction at DBSKKV, Dapoli, and the Principal Investigator for the NAHEP IDP at DBSKKV Dapoli, recently participated in the Western Zone Vice Chancellor's Conference aimed at facilitating the execution of the National Education Policy (NEP) 2020. This conference took place in Kevadia, Gujarat.</p> <p>Additionally, Dr. Bodake also held a crucial meeting with the Tribal Secretary to discuss the commencement of an Agriculture College in Palghar. These engagements underline his commitment to advancing education and agricultural opportunities in the region.</p>
Activity 4:	<p>A transformative three-day Personality Development Training program, organized by NAHEP DBSKKV Dapoli, concluded on the 21st of October 2023, benefiting the students of the College of Agricultural Engineering and Technology, Dapoli. This event saw active participation from a total of 60 students, equipping them with essential life skills. In a separate initiative, a two-day Faculty Development Training, also hosted by NAHEP DBSKKV Dapoli, concluded on the 25th of October 2023. This program was designed to enhance the skills of 30 clerical faculty members of DBSKKV Dapoli, marking another successful chapter in the institution's pursuit of academic excellence.</p>
Activity 5:	<p>On the 25th of October 2023, an auspicious predeparture and orientation ceremony was meticulously organized by NAHEP IDP DBSKKV Dapoli. This significant event, held under the distinguished chairmanship of Honorable Vice Chancellor Dr. Sanjay Bhave of DBSKKV Dapoli, was aimed at preparing and guiding the staff and students of DBSKKV Dapoli who are set to embark on an academic journey to Michigan State University, USA. This ceremony marked the commencement of an exciting international experience for the participants.</p>
Activity 6:	<p>The "Employing SAS Demand for Academics for Research Data Analysis" training, organized by NAHEP IDP DBSKKV Dapoli, commenced on October 26, 2023, offering a four-day academic enrichment program. The inaugural day witnessed enthusiastic participation from 70 students of DBSKKV Dapoli, setting a promising start to this research-oriented training.</p>
Activity 7:	<p>On October 26, 2023, Mr. Dhananjay Kulkarni, an IPS officer from the 2011 batch, and currently serving as the Superintendent of Police in Ratnagiri, paid a visit to NAHEP IDP DBSKKV Dapoli. During his visit, he expressed his admiration and appreciation for the remarkable facilities offered by the institution, including the state-of-the-art Idea lab, language lab, and smart classrooms. His positive feedback reflects the commitment of NAHEP IDP DBSKKV Dapoli to provide students with a conducive learning environment.</p>

Principal Investigator,
NAHEP-IDP, DBSKKV, Dapoli
